* for illustrative purposes only

Overall Mattress Height — Tight Top/Plush: 11.5"

Technology

All Foam Engineering with:

- Premium comfort foams include high density memory foams and/or pure latex for superior support and comfort.
- Copper-infused foams and CuTec® copper ions are woven into the yarn for added anti-inflammatory and antioxidant properties.
- High density foams use our Comfort-lock® process and provide longer lasting support and comfort than our standard foams.
- Engineered to articulate on adjustable beds to customize your sleep experience.
- Comfort and support foams are crushed to minimize the initial softening and lock in the comfort, to feel like new longer.
